To

The Private Secy to H. H. the
Maharaja of Mysore

Dear Sir

Under instructions from my client Mr Motiram Balkrishna who is a milliner & dress maker at Bombay I have to request you to bring the following facts to the notice of H. H. the Maharaja

On 16-2-03 my client sold and delivered clothes to Mr A Basuppa Rows, Military Bakshi of Mysore State, the price of which including interest amounts to nearly Rs 580, Although several written documents were made upon him including a solicitor's letter of 16-9-03, the amount still remains unpaid. One letter was addressed by me to the Palace Controller Mr V. N. Narasimmangar & Mr A Narsingarow and the reply received was that his several claims are being investigated into, but my client has hitherto not rec'd any final reply. But for the fact

That

that he was high Police Official and had put up at Bombay in the bungalow of Mr Narayn Davarka door, a wealthy & respectable gentleman, my client could not have been induced to part with the goods. It is principally on these grounds that my client has hitherto abstained from taking civil as well as criminal steps against him which he will now be reluctantly compelled to take unless prompt measures are adopted to satisfy my client's just claim which has been put off for such an unreasonable long time. My client therefore feels justified in bringing these facts to the notice of his superiors in the hope that prompt action may be taken. I shall thank you therefore to lay the above facts before His Highness with an humble request that the matter may be promptly brought to a final issue

To V N Narasimmiengar Esq

My dear Sir — Mr V. Narasimha Row, Advs & myself were appointed by Govt as Trustees for settling Mr Basappaji Sons' debts. It was a most complicated matter and we bestowed much pains on the work and submitted to Govt in England our proposals according to which various rates of payment were recommended for (1) secured debts (2) debts backed by 2nd & subsequent mortgages & (3) & unsecured debts.

2. The debt referred to in this Vakil's letter is of the latter class. We proposed that 1/2 of the original only should be paid. This client's principal was mentioned as Rs 497/8 only

3 Our proposals required a loan of Rs 176730 on the security of Bakshi's properties. On the 26th inst we received a reply from Govt saying that only 1st/4 bills can be sent, but not more & asking for a further reduction

4 The Trustees I regret to say find a further reduction of the liabilities of the Bakshi an almost impossible job & intend to reply to Govt accordingly

5 I had done myself the honor to report to H H in person the above facts early last month & intended subsequently to him next Saturday the above reply to Govt.
